

The North Shore Animal League
saves abandoned dogs and cats,
and finds them new homes.

Please act on
Docket #99P-4613 to
prevent the use of
unhealthy and inhumane
practices in BGH dairies.
In particular, ban the
use of genetically
engineered Bovine
Growth Hormone on
dairy cows. Principles
must come before
profits!

Senior dogs and cats make great companions.
ADOPT ONE TODAY!
